*Multiple Listing Service Dues for \$400 are not optional. They must be paid in full by 12/1/19. The ONLY reason you should choose “pay later” under the Multiple Listing Services Dues on your invoice is if you have talked to the TBOR office about a payment plan or you are not a member of the Multiple Listing Service.

The RPAC amount of \$15 is an optional amount. You may opt out or increase the amount you would like to contribute. A RPAC Contribution is the cheapest insurance for your Real Estate Business!
