Discover the SentriLock Advantage

Never Miss a Showing

In seconds, you can open the key compartment, release the shackle, assign the lockbox to a listing, view the Access Log and more with the SentriKey™ Real Estate app. In less time than it takes you to unlock and start your vehicle, you could open the door to new sales with SentriLock.

Keep it Secure

The SentriLock lockbox is built with the highest quality materials and is engineered to protect your clients' most valuable investment. It also features Bluetooth® connectivity which gives you access to a home – even when you're out of cell-service range.

Secure Controlled Access

You can use the app to generate One Day Codes, or grant SentriConnect® access for out-of-area agents, contractors, appraisers and others.

Keep Yourself Safe

The SentriKey Real Estate app has an Agent Safety feature that automatically and discreetly alerts your designated emergency contact when you do not feel safe or cannot confirm you are safe.
